SKILLS

- C Programming
- Java
- Python
- HTML & CSS

LANGUAGE

Kannada ●●●●●●○

English ●●●●●○○

Telugu ●●●●●●○

CERTIFICATIONS

- Internship certificate on **Java** application development in UNIQ Technology.
- Workshop certificate on **Java** conducted in UNIQ Technology.
- Internship certificate on **PCB** design in Enthu Technology.
- NPTEL - Technical English for Engineers
- NPTEL - Introduction to Industry 4.0 and Industrial IOT

01 EXPERIENCE

1. Internship at UNIQ Technology
- Worked as Front end developer.
- Done Mini project in Java entitled 'Student registration form'.
- Attended workshop on Java.
- Skills used HTML & CSS.

2. Internship at Enthu Technology
- Worked as PCB designer.
- Done Mini project in PCB design entitled 'Water level indicator'.

02 EDUCATION

Bachelor of Technology in Electronic Communications

Karunya University Coimbatore (2020 - 2024)

Activities : Member of IEEE club

CGPA : 6.54/10.00

Higher secondary Education

Sri Chaitanya College Hyderabad (2018 - 2020)
Percentage : 89.05 %

Secondary Education

Sri Chaitanya Techno School Anantapur (2017-2018)
CGPA : 9.7/10.0

03 PROJECT EXPERIENCE

Project Title - Design and analysis of reconfigurable PIFA antenna for 5G Emergency communication

Role - [Lead Designer**]**

Description - Developed a reconfigurable Planar Inverted-F Antenna (PIFA) to enhance 5G emergency communication systems.

Skills Utilized
- Antenna design and simulation using HFSS
